**New Rejection under 35 U.S.C. §112, First Paragraph**

The Examiner rejected claims 65 and 67 under 35 U.S.C. §112, first paragraph, as allegedly failing to comply with the written description requirement. Specifically, the Examiner alleged that the claims contain subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the art that the inventor had possession of the claimed invention at the time the application was filed.

In response, applicant respectfully traverses.

Applicant notes that claim 65, as amended, is fully supported by the specification and directs the Examiner's attention to the table above which sets forth the page, line and language of the specification supporting the claim. Applicant further notes that as set forth in the table, new claims 72 and 73 are also supported by the specification.

In view of the amendment to claim 65 and the preceding remarks, applicant respectfully requests that the Examiner reconsider and withdraw the rejection under 35 U.S.C. §112, first paragraph.

**Summary**

In view of the amendment to claim 65 and the preceding remarks, applicant respectfully maintains that claims 65, 67, 72 and 73 are in condition for allowance.
